## Education

**Career Accelerator Program**
Prepleaf By Masai
November 2023-present

**Civil Engineering**
CVR College of Engineering
August 2017 - July 2021

**Intermediate**
Narayana Junior College
June 2015 - May 2017

## Technical Skills

JavaScript   Node.js   React

Express.js   Git

RESTful APIs   CSS3

HTML5

## Soft Skills

Adaptability

Attention to Detail

Problem Solving

# SAI SATYA PRASANTH CHAMUTURI

**Full Stack Web Developer**

## Professional Summary

Astute Full Stack Developer with expertise in the MERN stack (MongoDB, Express.js, React.js, Node.js) and a keen ability to swiftly learn new technologies. Demonstrates strong problem-solving skills and a commitment to collaborative workflows. Proficient in leveraging Generative AI to enhance development processes.

## Projects

**Pharmacy Frontend Project**   Live Demo Link   Github Repo Link

JavaScript   React   HTML5   CSS3

- Developed an interactive and user-friendly pharmacy frontend using React, enhancing user experience with efficient navigation and responsive design.
- Implemented state management using React hooks to dynamically maintain and update user data.
- Integrated the frontend with backend APIs to fetch and display real-time data, significantly improving application functionality and performance.

**KFC Clone**   Live Demo Link   Github Repo Link

JavaScript   CSS3   HTML5

- Developed a KFC clone with meticulous design, closely mirroring the original website layout.
- Utilized HTML, CSS, and JavaScript to implement key functionalities, ensuring smooth cross-device responsiveness.
- Overcame coding challenges and incorporated user feedback for continuous improvement, enhancing user experience.
